

Doobie Brothers' music draws a crowd to Promises2Kids benefit

The Doobie Brothers rocked La Jolla on Monday night to benefit Promises2Kids at the estate of board member and philanthropist Joan Waite. Guests enjoyed cocktails, dinner, bidding on one-of-a-kind auction items, and a concert under the stars. The Doobie Brothers originated in San Jose, Calif. in the 1970s and have gone on to make rock 'n' roll history with hit after hit — and the sale of some 30 million record albums.
